

Female evening with McKinsey

We would love for you to join us for an evening with activities and dinner! During the evening, we will have the opportunity to get to know each other better and talk about our work as consultants, how we work together in teams and what your career at McKinsey could look like. Many of our colleagues will be present to share how they have made their own McKinsey.

WHEN: Thursday, May 11, 18:00–22:00
